Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Maine Community College Accelerated & Expanded Manufacturing Training program in Fiscal Year 2022.

The entity to receive funding for this project is Southern Maine Community College, located at 2 Fort Road, South Portland, ME 04106. Funding will be used to develop a mobile welding lab to provide welding skill instruction across Maine via the Maine Community College System. The mobile welding lab will enable the Maine Community College system to provide welding classes in all Maine counties through all seven of Maine's community colleges.

I certify that neither I nor my immediate family has any financial interest in this project.

Respectfully,

A handwritten signature in blue ink that reads "Jared F. Golden".
